

Y4 STUBBINGTON CENTRE VISIT: 18th – 20th July 2018

Dear parents,

Following the very positive experience in previous years, we are delighted to be able to once again offer our year 4 children the opportunity to visit Stubbington Study Centre for 3 days and 2 nights.

The centre is run by teachers, with all staff DBS checked. The health and safety record is extremely high and the activities, although not in the least hazardous, are all risk assessed and carefully designed. We plan to offer the children a range of fun and team building activities, which will be an enjoyable experience for their first residential visit.

The cost of the visit is £141. This includes transport to and from the centre, accommodation, all activities and all food during the stay.

If you would like to know a little more about what the centre offers, please see the Stubbington Study Centre website: <http://www3.hants.gov.uk/stubbingtonstudycentre> The centre is also holding an open day for members of the public on Saturday 24th March (10am – 4pm) should you want to look around at the site.

We do need to confirm our reservations by the end of this month and therefore I request you confirm your place by sending a **deposit of £20 by Wednesday 31st January 2018**. The balance must then be paid in full by Friday 29th June 2018, at the latest. However, in order to help spread the cost you may wish to pay the following deadlines:

Deposit: £20 by Wednesday 31st January 2018

2nd payment: £25 Friday 2nd March 2018

3rd payment: £25 Thursday 29th March 2018

STUBBINGTON STUDY CENTRE
184 Stubbington Lane
Fareham
PO14 2ND
WEDNESDAY 18th – FRIDAY 20th JULY 2018

Total cost: £141 (this includes transport to the centre, accommodation, all on site activities and meals for the duration of our stay)

ACCOMODATION

Children are accommodated in dormitories, sharing with between 4 and 7 children (depending on our allocated rooms).

Teachers' rooms are located opposite children's dormitories. The building is secure at night and doors are alarmed for maximum safety.

Shower rooms and toilets are located separately from bedrooms.

Boys and girls are placed separately and children are not allowed to use other groups' dormitories.

MEALS

Children are provided with all meals during their stay as well as snacks throughout their day. There is a choice of meals at each time and these are all the usual 'child-friendly' foods and the staff are fantastic at ensuring no one goes hungry. In the four years we have been visiting the site, we have yet to have a child who can find nothing they like to eat!

ACTIVITIES

The activities are led by qualified centre staff with the support of Corpus Christi staff members. While these can change (dependent on availability) some of the activities we have done in the past include: badger-watching at night in The Hide, designing mammal hotels and studying the creatures we find, pond dipping, seashore studies and 'Earthquake'.

In addition to our daytime activities, the staff also lead evening activities right up until bedtime. These maybe indoor or outdoor games and story-telling.

OTHER FACILITIES

There are trained first aiders onsite at the centre. The children will have use of a games room, sports court and play park area with permission of and supervision by the adults. All facilities are wheelchair-accessible. Children may use the onsite shop during our allocated time slot and are allowed to bring a maximum of £10 to spend on souvenirs.
