ONLINE SAFETY

1 April 2020

Dear Families

As always, online safety is something at the very forefront of our minds – especially at a time when we are all relying on technology and the internet so much!

I wanted to let you know about some resources that can be used at home with your children to make sure they are aware of online safety and that they know what to do if they feel unsafe online.

<https://www.thinkuknow.co.uk/> - advice from the National Crime Agency to stay safe online

<https://www.internetmatters.org/> - a parent/carer guide to keeping your child safe online

<https://www.net-aware.org.uk/> - a parent/carer guide to keeping your child safe online

As always – please make sure you view any online resources before your child accesses them to ensure you are satisfied that they are appropriate and please encourage internet use only in an open and shared space within your home.

Thank you for helping us to keep our pupils safe online!

Mrs G Comerford

Interim Head of School
