Pastoral Workshops (FAO: L.Cain)

Firstly, thank you for taking the time to complete this survey. Corpus Christi Catholic Primary School is always looking for ways to improve communication and connections between home and school. One way the school feels it can help provide the best education for our children is to run some pastoral workshops with parents. In an effort to plan workshops that will be useful and meaningful to our parent community this year, we would like to hear from you about how we can best meet your needs and interests. This short survey will assist us with our planning. Please don't hesitate to stop and ask me any questions about this... I'd be happy to talk further!

Kind regards

Mrs L. Cain
Lead Practitioner
