

RESOURCES FOR HOME LEARNING

Suggested ways to approach 'Home Learning'. Children should be completing daily learning activities in phonics, reading, writing and maths. These may take a range of forms: written tasks or activity sheets; web based games and activities; creative tasks; face to face learning or games with parents or carers.

All children have been sent home with a 'Learning Pack' that is appropriate to either their age or stage in learning.

Suitable activity times will vary based on the age of your child and their individual needs.

FOR ALL:

Twinkl – Learning resource provider are providing one month's free access to parents: <https://www.twinkl.co.uk/resources/covid19-school-closures>

PE with Joe Wicks – Daily fitness sessions with Body Coach – Joe Wicks on his YouTube channel (Mon – Fri at 9am)
