Executive Headteacher: Mrs B Schouller

Interim Head of School: Mrs G Comerford

19th March 2020

Dear Parents and Carers

We would like to keep you updated on the current situation at Corpus Christi in light of the Prime Minister's closure of schools due to covid-19.

We have been advised that we have to close to the majority of pupils from Monday 23rd March until further notice. We remain open to all pupils tomorrow and ask that you continue to follow the health guidance and only send your child in if everyone in the household is well.

We anticipated there would be school closures so have been working on being able to provide home learning for all pupils. All children have at least one reading book and will be issued with a home learning pack for next week. If you are already having to self isolate, and would like a home learning pack, they will be available for collection from the school tomorrow afternoon. There will also be links to additional materials available online to further support home learning on our website. We will update these as necessary. Please be reminded that year 5/6 pupils have access to an online library and that Y2-6 have access to Timestable Rockstars' website.

At present we know as much as you from the Prime Minister's daily briefing. At this time we do not have an official list of key worker roles but anticipate it is likely to include the following:

- Emergency services
- NHS
- Social Care
- Armed Forces
- Food/Medical delivery
- Prison staff
- Education (Schools)

More information will follow on the provision for families where parents fall into these key worker groups as soon as we have received clarification from the government.

If your family is under social care and/or your child has an EHCP we believe that school will be open to these pupils assuming we still have enough staff available.

A separate communication will come to you regarding free school meals provision as soon as we have confirmation from our caterers.

Thank you so much for your patience as we as a school await further clarification and guidance. Please be assured we are working hard to ensure the best emergency provision possible during this difficult time.

Mrs B Schouller

Executive Head teacher

Mrs G Comerford

Interim Head of School
