CREST Science Club

Day: Thursday

Start Date: 16th January

Final session: 13th March

Time: 3.15pm– 4.15pm

Run by: Mrs Comerford

Year 4

The CREST Awards scheme is the British Science Association’s flagship programme for young people; it is a **nationally recognised accreditation scheme for STEM project work** (science, technology, engineering and mathematics). We are very excited to offer this enrichment programme to Year 4 pupils.

Over 8 weeks children will complete 8 science challenges and collect stamps. When they have collected 8 stamps, they will be entered to receive a CREST iron-on badge and certificate. There will be a charge of £1 to cover cost of the badge.

Spaces are very limited so names will be drawn and you will be informed if your child has a place. **Children are expected to attend ALL sessions in order to be entered for the final award.**

Many thanks and we look forward to offering a varied timetable of after school activities in the academic year.

Return before Friday 12th January

FAO: Mrs C Tye

CREST SCIENCE CLUB Y4

Child’s Name: Class teacher:

- Would like to take part in the SCIENCE CLUB
- Will attend all sessions

No payments until you have been informed if your child has been successful. Thank you
