

Corpus Christi School Strategic Plan 2016 – 2017
SPORTS PREMIUM PLAN – Premium awarded £9,500

OUR MISSION STATEMENT

**'Christ is like a single body which has many parts.
It is still one body even though it is made up of many parts'.
(1 Corinthians 12:12)**

We are a community which supports children's learning and the development of their Catholic Faith.
We witness this by recognising that Jesus is with us in all we think, do and say.
We acknowledge the challenge of every individual and strive to enable them to develop their full potential.

Corpus Christi Means 'Body of Christ'.

In March 2013 the government announced its commitment to providing additional ring fenced funding of £150 million per annum to improve provision of Physical Education (PE) and Sport in primary schools in England. In February 2014 they further committed to continue the funding until 2020. Sport premium funding should be spent on additional and sustainable improvements to the provision of PE and sport for the benefit of all pupils to encourage the development of healthy, active lifestyles and be available from an early age. The funding stipulates that the additional funding must be used develop or add to the PE and sport activities that the school already offers and make improvements that will benefit pupils joining the school in future years and we have the freedom to choose how we do this.

Allocations for the academic year 2016 to 2017 are calculated using the number of pupils in years 1 to 6, as recorded in the January 2016 census, as follows: Schools with 17 or more pupils receive £8,000 plus £5 per pupil. In Corpus Christi for this academic year we have been allocated £9,350.00, and staff have worked together to agree the best way in which to spend this in our school in order to benefit all our children.
