

Learning Behaviour: Reflective

Social Catholic Teaching: Care for Creation

Key Question:

What is your Mission?

Who inspires you?
 What do you aspire to be?
 What mission are you on?
 What is the mission of refugees?
 How can we help them with their mission?

Key Question:

Can one change the world?

How can I help my brother's and sister's around the world?
 How can I change the world?
 What super power would I wish for to make change happen?
 What has changed in our world?

Key Question:

Should faith shape the world?

Where did faith begin?
 What is my faith? Why is it important?
 How do festivals share different faiths?
 Why are festivals important?

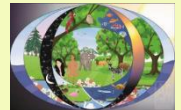

Focus Texts:

Wonder

RE Focus:

Our School Mission and Class Saint
 Creation

As geographers we will compare a region in UK with a region in North America (New York) with significant differences and similarities. We will explore the human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.

We will learn new vocabulary such as:

- Region
- Human geography
- Settlement
- Economic activity
- Distribution
- resources

As scientists we will recognise that light appears to travel in straight lines and use the idea to explain that objects are seen because they give out or reflect light into the eye.

We will explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes.

We will learn new vocabulary such as:

- Reflect
- Straight line
- Light source
- Travel

As believers we will learn about our role as co-creators in our world and in the creation story. We will explore St Paul's letter to the curriculum and his idea of the 'people of God'. We will also explore the Beatitudes and how it can guide us in our lives as the 'People of God'.

We will learn new vocabulary such as:

- Deacon
- Beatitude
- Peacemaker
- Dignity
- Co-creator
- People of God:

As technologists we will be exploring how the internet works along with knowing the parts of a computer, building its components back together and the wider picture of the community network.

We will learn new vocabulary such as:

- Internet
- Search engines
- CPU
- Network
- Hard drive
- Components

As nurturers we will reflect on the inspirations of our lives so far and our aspirations for our future.

We will learn new vocabulary such as:

- Aspirations
- Inspirations
- Idol
- Hero

What will I know by the end of the unit?

I know that I have a mission to help refugees I know that I can change the world by helping my sisters and brothers around the world. I know that my faith is important to me and is all over the world. I know that faith is celebrated in different ways.
