### Year 6 Residential 2018-Kingswood –Isle of Wight

Dear Parents,

We are pleased to inform you that we have made arrangements for a residential visit to Kingswood Activity Centre on the Isle of Wight. The children will spend a week at the activity centre, from Monday to Friday, and will be departing on Monday 29 October 2018 and returning on Friday 2 November 2018. The centre has the capacity to accommodate all of the current year 5 children in one week.

In our experience, there have always been some children – and parents - who are anxious about a residential before they go: however, on the children's return, not one wishes they hadn't been. It is a wonderful learning experience. Not only do the children learn first-hand about team work, they also discover elements of their personality and skillset which, perhaps, may have not been highlighted before.

The cost of this fully inclusive trip is £206.00, and as this activity is a NON curriculum event, it is fully payable by the parents.

In order to reserve your child's place you will need to pay the deposit of £26.00 no later than Monday 08 January 2018. The balance of £180.00 will need to be paid no later than Monday 11 June 2018 but this can be split into instalments if this is easier for you.

**If any of the payments are missed, as set out on the attached, your child will not be able to participate in the trip and any money already paid will be non-refundable. We will not reserve any place without the booking form and payment of the above amount.**

A booking form has been enclosed which requires completion and returned to school no later than Monday 11 December 2017.

This really is a life changing week – one that your child will remember for the rest of their lives. Please take up this fantastic opportunity the school is offering.

Yours faithfully

Mrs B Schouller  
Executive Headteacher
