Head of School: Miss J Kelly

September 2018

Dear Parents and Carers,

RE: KS1 Phonics/Spelling

At Corpus Christi we continue to ensure that our standards and expectations are consistently high.

Your child has phonic/spelling lessons each week in school and they also have home spellings to practise with you. The words that are sent home on their spelling cards are specific to their year group's learning.

Please can you support your child by practising their spellings with them at home (preferably every day). The best way to practise and support your child is to state these spelling words within sentences so as children understand the meaning of the word in context:- for example:

"People. There are lots of people in a crowd. People."

Your child will be tested each week on a Friday; each card will last for 3 weeks to ensure that children fully learn these words.

Alongside this letter should be your child's first spelling card for this year.

Thank you for your ongoing support. If you have any queries, please speak with your child's class teacher.

Yours sincerely

Mrs Cain
Lead Practitioner / English Leader
