Dear Parents and Carers,

RE: KS2 Spelling

At Corpus Christi we continue to ensure that our expectations and standards are consistently high.

Your child has spelling lessons each week in school and they also have home spellings to practise with you. The words that are sent home on their spelling cards are specific to their learning; half of the words on their cards are taken from their year group's word lists, but the remaining words are those that have been identified as being mis-spelled in their work (these remaining words may change each week).

Your child will be tested on a Friday.

Please can you support your child by practising their spellings with them at home (preferably every day). Your child will be tested each week; each card will last for 3 weeks to ensure that children fully learn these words.

Alongside this letter should be your child's spelling card.

Thank you for your ongoing support. If you have any queries, please speak with your child's class teacher.

Yours sincerely

Mrs Cain
Lead Practitioner / English Leader
