

## SWIMMING AND WATER SAFETY

Swimming is an important skill and can encourage a healthy and active lifestyle. All Local Authority schools must provide swimming instruction either in key stage 1 or key stage 2. The programme of study for PE sets out the expectation that pupils should be taught to:

- Swim competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]
- Perform safe self-rescue in different water-based situations.

Swimming and Water Safety	
•What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	82%
•What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	80%
•What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	82%
•Schools can choose to use the primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Expenditure of Sports Premium on extra Swimming provision							
PE and Sport Premium Key Outcome Indicator	School Focus / planned Impact on pupils	Action to Achieve	Planned Funding	Actual Funding	Evidence	Actual impact (following review) on pupils	Sustainability / Next Steps
That all children have basic water confidence skills. That all children can swim 25 metres by the time they leave Year 6.	Children are able to swim using a variety of swimming lengths. Any non- swimmers gaining basic water safety skills.	Extra swimming sessions for Year 6 pupils to increase opportunities for pupils to develop their swimming skills and competency	£200	£150 Swimming sessions £0 Transport to swimming pool.	Swimming lessons for Y6.	Before swimming sessions: 10 children had low swimming ability. End of the 6 sessions: all pupils had made progress, 2 became competent swimmers	Extra swimming sessions to be made available for Year 6 18/19 classes

## 2018/19 Academic Years swimming Targets

- Identify non-swimmers in Year 3 so as to provide earlier opportunity to provide additional swimming before they reach Year 6.
- All non-swimmers provided with extra swimming sessions
- Increase the number of children successfully swimming using different swimming strokes by 10%.
- To increase the number of Year 6 children achieving safe self-rescue to above 85%.
- Swimming data to be tracked for Year 3 pupils to be collated so that teachers can evaluate who might need extra swimming support when they enter Year 5.
- Teachers to join non-swimmers in the pool and provide 1 to1 support.
